## ***Holy Week and Easter at St. John's, Lafayette***

The Church's calendar — the movements of the liturgical seasons, the rhythm of the Christian story and the Church's life — provide deep insight into the promises and purposes of God and the good news that flow from them. Given the past year and the grief we have all experienced, this may be especially true now. Holy Week and Easter are the linchpin of that rhythm and at the center of that good news. Because of that, it is important that we join with our Christian family at St. John's and throughout the world in observing the services that make up the Triduum: Maundy Thursday, Good Friday and the Great Vigil of Easter. Hear and respond to Christ's command that we should love one another as he loved us. Hear and respond to the wondrous love poured out on the cross. Hear and respond to the record of God's saving deeds in history. Voice your own alleluias as we rejoice in the Resurrection. As we walk the way of Jesus, we are reminded of the call to vulnerable love. As we walk the way of cross, we are reminded of the depths of God's love for us. As we hear God's promises and walk the way of the empty tomb, we are reminded that love and life will win out. — *Bradley Pace, [bradley-pace@stjohns-laf.org](mailto:bradley-pace@stjohns-laf.org)*

## ***Regathering Update***

The leadership of St. John's continues to be grateful for your prayer, your trust and your faithfulness over the past year. We remain committed to caring for one another by only regathering for in-person worship when we can do so safely. Over the past month, the Regathering Task Force has been meeting regularly and updating the Vestry. Recently, the Task Force sent out a survey to get feedback about regathering for in-person worship. As of this writing, the results are not yet complete; however, we will share those results when they are. If you were unable to complete the survey online, please contact the church office for more information. If you have any questions, you can contact me directly. — *Bradley Pace, [bradleypace@stjohns-laf.org](mailto:bradleypace@stjohns-laf.org)*
